

uxm 156

Designed for up to five passengers, this boat is built to handle the waves with its 16-degree deadrise, delivering a smooth, nimble ride even in choppy seas

With plenty of deck space, an in-deck fish box, and smart storage throughout, the UX 156 is perfectly set up for fishing trips and day cruises alike

And true to UX Marine's core value, it brings the quality and luxury of larger boats within reach for all - because we believe **boating is for everyone**, not just the elite

Enjoy the open water, made easy
